

## **Students "I Voted" Sticker Contest Winners Announced**

Our Education Team and Students Voting for Democracy, in conjunction with the Henderson County Public Schools, ran an "I Voted" sticker contest prior to the election. Open to all HCPS students, students grades K-12 were invited to create an original design for "I Voted" stickers. Despite the disruption of Hurricane Helene, there were 99 entries. A winner was selected for grades K-5, 6-8 and 9-12. The winning entries were printed on the League's Vote 411 poster and distributed to all HCPS schools and administrative office.

The winners were Jamey Snipes, grade 11, North Henderson High School, Samantha Caggiano, grade 8, Hendersonville Middle School, and Lydia Schimmel, grade 5, Hillandale Elementary.
